About the Foundation

Established in 2021, the Tyrese Maxey Foundation is a non-for-profit organization based in Garland, Texas founded on faith-based values and exists in order to strengthen the family and the community through our works, example and investment. TMF's goals are to provide youth with the necessary skills and support to become the next generation of leaders in the community, in the family and in the classroom.

Community Impact and Why Your Support Matters

The Tyrese Maxey Foundation Friends and Family Weekend returns for its second annual major fundraising event, bringing together families and communities to empower youth through scholarships and impactful initiatives. This event is more than just a gathering, it's a movement to equip the next generation with the tools they need to lead and thrive.

Your support plays a vital role. By joining us, you become part of an extended family committed to uplifting young leaders and shaping brighter futures. The foundation aims to provide 250-300 students annually with essential skills, resources, and opportunities to excel in their communities, families, and classrooms.
