## About The Foundation

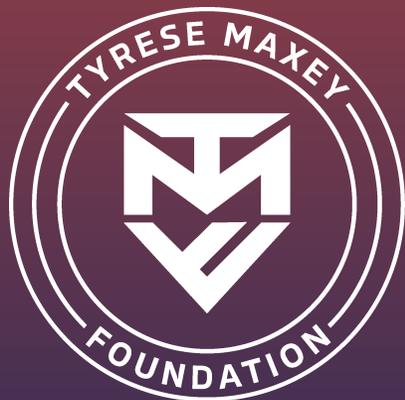

The Tyrese Maxey foundation is a non-profit organization based in Garland, Texas. It was founded on faith-based values and exists in order to strengthen family and community through works, example, and investment. TMF's goals are to provide youth with the necessary skills and support to become the next generation of leaders in the community, in their families, and in the classroom.

## Community Impact (Why support?)

The Tyrese Maxey Foundation Friends & Family weekend is the foundation's first ever major fundraising event intended to bridge together the family unit over a shared goal of empowering youth through scholarships and community initiatives. But, everyone plays an important part, and the foundation is needing your help to add to the family unit and assist with the support of the next generation of leaders. Our youth are our future, and the Tyrese Maxey Foundation is seeking to provide **250-300 students** annually with the necessary skills and support to become the next generation of leaders in their communities, families and classroom.

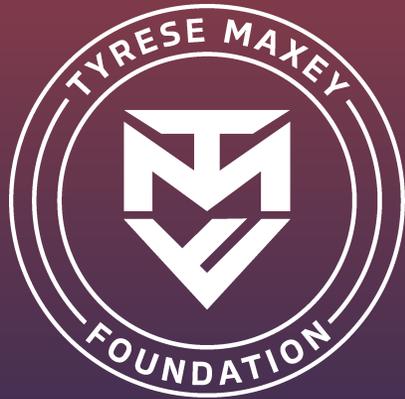

- The Foundation will award up to 3 scholarships renewable for 4 years
- Sponsor 100 students to attend the free golf clinic during the weekend (Dallas)
- Host at no cost the 3rd Annual 1% Skills Camp (free for 400 students to attend)
